

## **Mission Statement**

The Brookside Estates Homeowners' Association is a voluntary, not-for-profit organization of homeowners, who are also shareholders of the community, who work together to promote the safety, welfare, and interests of all residents located within the Brookside Estates subdivision in Chester County, Pennsylvania.

Our mission is to preserve and enhance property values and the quality of life within our community. We strive to create a family-friendly neighborhood environment, while assisting members in maintaining their investment. We will accomplish this by carrying out the provisions of the Association's Declaration, Bylaws, and Rules and Regulations and through various programs that support a clean, crime-free, and aesthetically pleasing neighborhood. We provide a forum in which residents can interact and share their ideas and opinions and we make every effort to maintain open lines of communication for residents of the neighborhood pertaining to the activities and business of the Homeowners Association .
